Dear Ray:

Perhaps you have heard of the upcoming Indian event to be held in Heber. The First Annual Heber Valley Pow Wow promises to be one of the largest Native American events ever held in Utah, and by far the largest event of any kind ever held in the Heber Valley. Invitations and announcements have been mailed to almost every tribe in the United States, and Indian craftsmen from all over the west have been invited to set booths to sell their products. The initial response has been very strong.

The Pow Wow is to be held at the Wasatch County High School grounds. Booths will be set up in the area east of the High School and north of the Middle School. Camping for the participants will be available to the south and east of the Middle School. The main Pow Wow events will be held in the High School Stadium, or in an arena set up to the east of the stadium if a conflict exists with school activities.

The Indian sponsors will be presenting three Pow Wow Demonstrations to show the community what to expect. The first of these shows will be held Wednesday, February 17 at 7:00 PM in the High School Auditorium. It promises to be great fun and there is no admission charge. Nola Lodge, Professor of Indian Culture at the University of Utah, will explain the Pow Wow and answer any questions.

Lois Radd, Professor of Indian Culture at the University of Utah, will explain the Pow Wow and answer any questions.

This Pow Wow is being produced primarily to aid the Heber Valley economy. The Pow Wow Committee expects over ten thousand people to come into the Heber area for this event. These people will be patronizing local businesses during their stay here. Most businesses in the valley will benefit from the money that Pow Wow will bring into the valley. Some establishments could see more sales during this week than any other three or four month period the rest of the year. This money will then ripple throughout the entire economic community. Even businesses that may not deal directly with the Pow Wow attendees will benefit from this ripple effect.

In order to insure that the First Annual Heber Valley Pow Wow is a success, and to encourage participants to return to future Pow Wows, we need your help. Since the Heber Valley businesses will receive the greatest benefit, it is only natural that they will want to provide support. The contributors will be recognized at the Pow Wow and in the printed program. Everyone will be encouraged to support the businesses that support the Pow Wow.

Your contribution, whatever size, will be greatly appreciated. Those retail organizations that contribute \$100, \$500, or even \$1000 will surely be repaid many times over. Please send any contributions to:

The Pow Wow Committee meets the second Tuesday of each month at 6:00 PM in the Heber City Council Chambers. Please feel free to attend any of these meetings and ask any questions.

In order to insure the success of future Pow Wows, we must make a good showing this year. Your help is vital to this endeavor. Please be generous.

Thank You for Your Support.

Sincerely,

Ken Davis, President  
Heber Valley Pow Wow Committee
